HB 1014 Reengrossed

2016 Regular Session

Berthelot

Abstract: Deletes the reference to a repealed statutory provision of the "sex offense" definition within the Life Safety and Property Protection Licensing Act.

Present law provides licensing law applicable to persons seeking a license to engage in life safety and property protection services.

Present law provides for the statutory reference (R.S. 15:541(14.1)) to the definition of "sex offense" within such licensing law. The statutory reference (R.S. 15:541(14.1)) in present law has been repealed and no longer contains the referenced definition.

Proposed law deletes the repealed statutory reference (R.S. 15:541(14.1)) to reflect the correct statutory reference (R.S. 15:541(24)(a)) for the definition of "sex offense".

Proposed law otherwise retains present law.
